Биди волонтер !

**Со ЕВС сега имате шанса да ја видите Европа како никогаш досега!
Користете ги Вашите шанси!**

„20 години од сега ќе бидеш многу поразочаран од нештата што не си ги направил, отколку од нештата што си ги направил. Затоа отфрли ја здрвеноста. Напушти го сигурното пристаниште. Насочи го правецот на ветриштата на твоите едра. Истражувај. Сонувај. Откривај.“

Марк Твен

„Биди волонтер“ информаторот е последно обновен на **5^{ти} Април 2012**

Во прилог ќе ги најдете голем број на отворени конкурси за волонтирање ЕВС низ повеќе европски држави. Информаторот е на англиски јазик бидејќи така се објавуваат конкурсите, но и поради тоа што неговото познавање е еден од главните услови за аплицирање.

НАПОМЕНА! Објавените понуди на волонтерски позиции се само дел (моментално актуелните) од вкупниот број ЕВС проекти во Европа. Доколку не најдете ништо соодветно за вас, ве охрабруваме самите да си побарате користејќи ја официјалната база на податоци или мрежата за млади:
http://ec.europa.eu/youth/evs/aod/hei_en.cfm <http://www.youthnetworks.eu/>

АПЛИЦИРАЊЕ: За позициите можат да конкурираат млади лица од Македонија на возраст 18-30 год. Начинот за аплицирање вообичаено е со праќање на ваше CV и мотивационо писмо на контакт е-маил адресата на одговорното лице во организацијата. Исто така треба да ја споменете и вашата праќачка организација **УМСА BITOLA** со број на лиценца **2010-SI-36**.

ПРАКТИЧНИ СОВЕТИ!

- Со цел да ви олесниме низ процесот на аплицирање ИМКА Битола ви нуди формулар за апликација (наместо CV и мотивационо писмо) со сите потребни информации за вас. Со тоа би го избегнале ризикот од доставување на недоволно информации во вашето CV и мотивационо писмо. Формуларот можете да го најдете на нашата веб страна www.ymcabitola.org.mk.
- Внимателно читајте ги описите на позициите и задачите предвидени во нив и аплицирајте само за оние за кои сте навистина заинтересирани!
- Со оглед на големата заинтересираност на младите од Европа и конкуренцијата за секоја волонтерска позиција ви препорачуваме да аплицирате на повеќе огласи наеднаш, а не само на еден! Доколку бидете одбрани ќе си го одберете оној оглас кој ви е приоритетен!

АСИСТЕНЦИЈА:

- Скратен прирачник за ЕВС (Европскиот Волонтерски Сервис)
<http://www.ymcabitola.org.mk/kcfinder/upload/files/EVS%20info%20guideMK.pdf>
- Информации за отворени места за аплицирање на: www.facebook.com/evsmakedonija
- Лични консултации секој Вторник 11:00-13:00 и Четврток 16.30-18.30 часот
- Он-лајн консултација во погоренаведените термини на скајп: ymca.bitola
- Или пак контактирајте нè на: evs@ymcabitola.org.mk.

1. Title of the project: "Teach me colors!"

We are searching for 5 volunteers

Duration of the stage: 5 and half months

Start of the stage 07.01.2012

Young Blind in Romania live real dramas because they are marginalized / socially excluded and, often, condemned to poverty. In Romania, blind people and those with serious visual impairments encounter situations that most people do not even realize. The following are just some of these situations:

- Monthly allowance for blind people is very small (about 50 euros);
- Acquisition of necessary equipment to assist blind people to study, work and daily life is not subsidized;
- Very few jobs for the blind;
- There is one school of dog guides for the blind (given that in Romania there are over 50,000 blind)
- Very few jobs adapted to the special needs of blind people;
- There is no recovery and rehabilitation center for those who are blind after accidents or from illness.

What is the EVS stage about!

EVS volunteers will be hosted in Arad, between January 7, 2013 and June 20, 2013, and the main activities will consist of:

- Escort for about 8 hours per week of a young blind to cultural and social activities held in the town of Arad;
- Facilitate creative workshops with young blind people;
- Developing / managing a website to promote blind youth participation in European projects in Arad.

2. Title of the project: "Home sweet home"

We are searching for 5 volunteers

Duration of the stage: 5 and half months

Start of the stage 07.01.2012

Arad city has many homes in which young people abandoned by their families live in centralized homes where they are taking care about. One of these homes takes care of 15

children aged between 5 and 16 years with mental disabilities. EVS volunteers may live together in this house with the children in separate rooms and the following activities will take place every five days per week, Monday to Friday, between 7 January 2013 and June 20, 2013:

- Communication and creative workshops, participants will be children from the center (about 2 hours each day);

- Help with meals, help with preparation space for the daily operations of the house;

- Facilitating activities within a theater amateur group, participants will be high school students in the hosting town.
